Prices

Prices are shown in British pounds and are correct at the time of cataloguing. However, because of exchange rate fluctuations and publishers' increases, they are subject to change without notice. Website prices are updated overnight, but are still subject to change as new stock arrives.

Tax (VAT) is charged only on non-book material, and only on deliveries within the UK, or to customers in other EC countries who are not registered for VAT.

Discounts and Delivery

Postage is free on all UK orders and schools and other institutions will receive a discount on larger orders. Full delivery rates can be found on our website.

To qualify for a discount, orders must be received as a single item; discounts are not cumulative. Orders for software site licences, and magazine and newspaper subscriptions are not eligible for discounts.

About this catalogue

This is our current catalogue of language-learning material for Portuguese. Space does not permit us to list more than a selection of the items we stock. For a fuller listing visit www.grantandcutler.com.

Inspection copies are only available from publishers or their UK distributors, though we may be able to supply titles on approval.

All computer software listed is for Windows 32 bit systems unless otherwise stated.

Non-language material

Now that we are part of Foyles, with more than 200,000 titles in stock, please consider us for all of your subject requirements, particularly EFL.

Ordering information

We accept orders by fax, phone, e-mail, mail or on our website. At certain times of the year our phone lines are very busy and faxing, emailing or ordering online is recommended. Teachers and librarians with appropriate authorisation can ask for books to be invoiced to their school account.

Payment may be made by credit/debit card (Mastercard/Visa), by cheque in GBP, US dollars or Euros or by bank transfer. Schools will normally be invoiced on receipt of an official order.

Website ordering

Everything in this catalogue, and much more, can be found on our website:

www.grantandcutler.com. Prices are updated overnight and most items show whether we have copies in stock.

Schools and other institutions can order on the website and have items invoiced to their account. To do this, add books to a basket and follow the normal checkout procedure.

Other catalogues

We produce a range of other printed catalogues, available free on request, though they may sometimes be reprinting.
