**2016 CATALOGUE**

## ***About Grant & Cutler at Foyles***

Grant & Cutler was established in 1936 and merged with Foyles in March 2011. Award-winning bookseller Foyles started in 1903 and has the largest range of books in the UK with more than 200,000 titles. The merged language departments now carry a very wide range of foreign-language material, together with a large section on English as a Foreign Language.

We specialise in the major Western European languages as well as Polish and Russian, but pride ourselves on covering all living languages from Afrikaans to Zulu.

In June 2014, Foyles moved into an exciting, new flagship store at 107 Charing Cross Road, two doors down from its previous location, and Foreign Languages are on Level 4. Opening hours are:

Monday - Saturday	9.30-21.00
Sunday	11.30-18.00
Public holidays (not Easter Sunday or Christmas Day)	11.00-20.00

## ***Prices***

Prices are shown in British pounds and are correct at the time of cataloguing. However, because of exchange rate fluctuations and publishers' increases, they are subject to change without notice. Website prices are updated overnight and provide a more accurate check on current prices.

Tax (VAT) is charged only on non-book material, and only on deliveries within the UK, or to customers in other EU countries who are not registered for VAT.

## ***Discounts and delivery***

Postage is free on all UK orders over £10. Schools, libraries and other institutions will receive free UK postage on all orders and a discount on larger orders. Full delivery rates can be found on our website.

To qualify for a discount, orders must be received as a single item; discounts are not cumulative. Orders for software site licences, and magazine and newspaper subscriptions are not eligible for discounts.

## ***About this catalogue***

The catalogue provides a selection of dictionaries across a range of languages, suitable for school use in an English as an Additional Language context at both primary and secondary level. Where possible we have included simple word-to-word dictionaries, without grammatical information, though most dictionaries contain at least some.

The symbol > indicates that a dictionary can only be used one-way and <> indicates that it can be used both ways. All books are paperback unless otherwise indicated. Please note that supplies from some countries are erratic.

Space does not permit us to list more than a selection of the items we stock but we do carry a wide range of exam texts, novels and children's books in various languages. For a fuller listing visit [www.grantandcutler.com](http://www.grantandcutler.com).

Inspection copies are only available from publishers or their UK distributors, though we may be able to supply titles on approval.

## ***Non-foreign language material***

Now that we are part of Foyles, with around 200,000 titles in stock, please consider us for all of your subject requirements, particularly EFL.

## ***Ordering information***

We accept orders by email, fax, phone, mail or on our websites. We welcome personal visits and teachers and librarians with appropriate authorisation can ask for books to be invoiced to their school account.

Payment may be made by credit/debit card (Mastercard/Visa), by cheque in GBP or by bank transfer. Schools and libraries will normally be invoiced on receipt of an official order.

## ***Website ordering***

Everything in this catalogue, and much more, can be found on both the Grant & Cutler and Foyles websites: [www.grantandcutler.com](http://www.grantandcutler.com) and [www.foyles.co.uk/languages](http://www.foyles.co.uk/languages). Prices are updated overnight.

Customers can pay by card or order against their account on the Foyles site, but we regret that only schools and other institutions with a credit account can place orders on the Grant & Cutler website.

Customers ordering on the Foyles website can also access a vast range of non-language books.

## ***Other catalogues***

We produce a range of other catalogues, which can be downloaded in pdf format from [www.grantandcutler.com/pdf.html](http://www.grantandcutler.com/pdf.html). These catalogues contain only a selection of our stock, and more comprehensive listings can be found on our website.
