# About Grant & Cutler at Foyles

Foreign language specialist Grant & Cutler was established in 1936 and merged with Foyles in March 2011. Award-winning bookseller Foyles was established in 1903 and our flagship Charing Cross Road store has the largest range of books in the UK with more than 200,000 titles. The merged language departments now carry a wide range of foreign-language material, together with a large section on English as a Foreign Language.

We specialise in the major Western European languages as well as Polish and Russian, but pride ourselves on covering languages from Afrikaans to Zulu.

Opening hours for our languages department are:

Monday - Saturday 9.00-21.00

Sunday 11.30-18.00

Public holidays (not Easter Sunday or Christmas Day) 11.00-20.00

## About this catalogue

This is our annual catalogue of language-learning material for French, German and Spanish at secondary level. It is mainly intended for schools and colleges but will be of interest to anyone involved with modern languages. Space does not permit us to list more than a selection of the items we stock. For a fuller listing visit [www.grantandcutler.com](http://www.grantandcutler.com).

Inspection copies are only available from publishers or their UK distributors, though we may be able to supply titles on approval. New titles are flagged and the symbol  indicates that a literary text has notes. All titles are paperback unless otherwise indicated.

## Prices

Prices are shown in British pounds and are correct at the time of cataloguing. However, because of exchange rate fluctuations and publishers' increases, they are subject to change without notice.

Website prices are updated overnight and provide a more accurate check on current prices.

Tax (VAT) is charged only on non-book material, and only on deliveries within the UK, or to customers in other EU countries who are not registered for VAT.

## Discounts and delivery

Schools, libraries and other institutions will normally receive free UK postage and a discount on larger orders.

## Ordering information

We accept orders by email, fax, phone or mail, and schools with accounts can order on our website. We welcome personal visits and teachers and librarians with appropriate authorisation can ask for books to be invoiced to their account.

Payment may be made by credit/debit card (Mastercard/Visa), by cheque in GBP or by bank transfer.

Schools and libraries will normally be invoiced on receipt of an official order.

## **Website ordering**

Everything in this catalogue, and much more, can be found on both the Grant & Cutler and Foyles websites: [www.grantandcutler.com](http://www.grantandcutler.com) and [www.foyles.co.uk/languages/](http://www.foyles.co.uk/languages/). Prices are updated overnight.

Customers can pay by card or order against their account on the Foyles site. Schools and other institutions with an account will probably find it more convenient to place orders on the Grant & Cutler website.

## **Other catalogues**

We produce a range of other catalogues, which can be downloaded from our website at [www.grantandcutler.com/pdf.html](http://www.grantandcutler.com/pdf.html). They contain a selection of the range which can be found on our websites and in our shop.
